

TECHNIPHARM DAIRY HANDLING BRAND PROMISE

TechniPharm value Promise

Technipharm Dairy Handling Products are designed for a specific purpose and benefit in mind, and not to price. **We promise value!**

We set our prices to provide best value for the end user, when we promise you a price that is our best price for value.

We will not then offer you additional discounts on the product as this would break our promise.

In addition.....

Technipharm promises to offer 80% of the original purchase price as a trade in value when you upgrade to another Technipharm Dairy handler within 5 years of original purchase.

- Technipharm promises a 10 year “bend it and we will replace it” guarantee on all Technipharm Smart yard Panels

TechniPharm Animal care promise.

With a Technipharm Handling system, your animals will be: -

- Safe and stress free
- Be bruise free
- Receiving professional care*

*A Brand care Vet Voucher up to the value of \$500.00 is provided for redemption with your local Vet Centre with the purchase of a Technipharm Handler or Smartyard system.

(*based on RR and price integrity criteria met)
