

TECHNIPHARM DAIRY HANDLING BRAND PROMISE

TechniPharm value Promise

Technipharm Dairy High performance stock Handling systems are designed for a specific purpose and benefit in mind.

We set our prices to provide best value for the end user, when we promise you a price that is our best price for value.

We will not then offer you additional discounts on the product as this would break our promise.

In addition.....

Technipharm promises to offer 100% of the original purchase price as a trade in value when you upgrade to another Technipharm handler within 1 year of the original purchase and 80% within 5 years of the original purchase date.

Ex Trade Brand value, buy any of our ex trade fully factory serviced handlers and get a 100% trade credit within 3 years on a brand new unit of higher specification.

- Technipharm promises a 10 year “bend it and we will replace it” guarantee on all Technipharm Smart yard Panels

TechniPharm Animal care promise.

With a Technipharm Handling system, your animals will be: -

- Safe and stress free
- Be bruise free
- Receiving professional care*
- Benefit from reduced stress and thus better performance
