Holstein Friesian New Zealand Annual Conference

The Southland Branch of Holstein Friesian NZ wish to sincerely thank you for your sponsorship of the conference held at Invercargill last week.

Without your support this event would not have been the success that it was. All of the attendees from throughout New Zealand (and even a few Australians) had an enjoyable week and were able to experience some truly iconic Southland places.

The herd tours took them throughout Southland and showcased some fantastic dairy herds and also the wintering systems and farming methods required for our climate.

Your support of this event was very much appreciated.

Yours sincerely
Conference Committee
